

Frequently Asked Questions

What is the difference between VIP and general admissions tickets?

General admission tickets are \$100 and will receive 1 raffle ticket along with \$200 worth of “fun money”. VIP tickets are \$200 and will receive 25 raffle tickets along with \$200 worth of “fun money”. Raffle tickets enter you into a chance of winning a cash prize of \$2,000.

How much casino money does my ticket provide me?

With each ticket purchased, you will receive \$200 worth of “fun money”. This can be used at any table of your choosing. This purchase also includes your night with food, drinks, valet parking, access to our silent auction and even childcare.

What if I want to play more after my \$200 “fun money” is used up, how do I do that?

Not a problem! Each dealer will help you with your suggested donation (\$20 increments) and then will provide you with your additional fun money. With each additional donation, you will also receive another raffle ticket which will help you get closer to a chance of winning a cash prize.

How do I pay for additional “fun money”?

We will accept cash and cards.

Are there tables for high stakes available?

Yes, there will be high roller tables. We will have 2 Texas Hold'em tables, 1 will be high rollers and then throughout the venue we will have blackjack, craps and roulette.

Is child care free? Where is child care? How do I need to reserve my child a spot?

Yes! This is included in your ticket purchase. (4 years and older) We have reserved the Delphi Academy gymnasium from 5 pm-11 pm. We will make it fun for the kids with a pizza and popcorn movie night! To reserve a spot, contact (727) 222-3438.

Are there cash prizes? What are they?

Yes! We will have a high rollers table cash prize of \$3,000. For our raffle ticket players, we will have a \$2,000 cash prize winner and a mystery jackpot cash winning in our silent auction.

What time does casino night start & end? Is it important to show up exactly at 6pm?

Our event starts at 6pm sharp! You want to arrive a little early to have enough time to check in and receive your raffle tickets. We have a professional casino company coming in for your entertainment and they too will explain how the games are played and how you can keep playing and win BIG! Last call of the night will be 9:30-9:45 pm and ending the event off at 10 pm. You don't want to miss when we draw our raffle winners!

What is the attire? Will I be turned away if not dressed?

Cocktail attire. No we will not turn you away, but feel free to dress to impress.

What is a silent auction? What can I expect?

A silent auction is a classic fundraising event in which guests place bids on items that have been procured for the auction. Bidders compete to win their favorite items and packages and when the auction is closed, the highest bid wins the item and your organization receives the proceeds. We have had an amazing response from our community donating goods and services to help us raise money for our Ideal campus. There will be items ranging from salon services to theme parks to A/C services for home improvements. There will be a wide variety of items and prices.

Can I invite friends and family?

Absolutely! Share the news with everyone. Tickets are limited so help them get theirs fast!

Can Non-Delphi families and friends buy a ticket?

Of course. This event is for everyone. There are many parents, grandparents and friends who love the Delphi school and program and want to help us get our new campus. Spread the word!

We can't wait to see you there!

Sincerely,
Delphi Ideal Campus Project Committee
