

**Delphi Academy of Florida**  
**Middle and High School Elective Practical Activities**  
**Available Fall Term, 2023**

–In Alphabetical Order–

- **“Approved Out of School Activity”** - If desired by the family, an option to leave school at 3:55 to pursue other enrichment activities that are in alignment with the student’s academic requirements, such as a club sport, an off-campus project such as community service or a part-time job. Parent requests must be submitted to their child’s academic teachers for approval prior to beginning.
- **Band Club** - Led by Ms. Ale Krasniansky and HS student LJ Sweircinsky, Mondays and Wednesdays.
- **Ceramics** - Instructed by Dr. Joan Crane, Mondays and Wednesdays, must come to both classes if selected. Students learn to both hand-build and use the wheel to make ceramic decor and pottery.
- **Chess Club** - Led by Mr. Colin Koenig Mondays and Fridays.
- **Choir (MS & HS)** - Directed by Ms. Ale Krasniansky and Ms. Megan Spencer Tuesdays and Thursdays, must come to both rehearsals if selected.
- **Cooking (MS)** - Instructed by Ms. Betsy Putterman Tuesdays or Fridays
- **Cooking (HS)** - Instructed by Mr. Charles Runyon Thursdays.
- **E-Sports** - Led by Mr. Alex Campana, an interscholastic team playing electronically against other High Schools in the South West Region of the country Thursdays and Fridays. Games require skill and team work and participating students must be in High School and be ahead of schedule on their academic program.
- **Fine Arts** - Instructed by Dr. Joan Crane, Tuesdays and Thursdays, learn basic art theory, famous artists’ styles and how to use different media.
- **Flag Football** - Led by Mr. Teddy Lambert, Mondays and Wednesdays.
- **High School Only Straight Play** - Directed by Mr. Nick Koenig and Ms. Megan Spencer, a more mature, non-musical production for our High School Students. Rehearsals Mondays, Wednesdays and Fridays. Show dates November 3rd and 4th.

- **Independent Art** - Led by Dr. Joan Crane, Fridays. Students propose their own art projects they would like to create.
- **Indoor Soccer ("Futsal")** - Coached by Mr. Zsolt Tamas, Tuesdays and Thursdays. Classes may develop into a competitive league team after hours.
- **Mechanics** - Instructed by Mr. Marcus Poulin, Tuesdays.
- **Mythbusters Club** - Led by Mr. George Pilat, Fridays. Students utilize Scientific Method to uncover the truth about common myths or misconceptions.
- **PE (Required)** – Led by St. Sports Coaches, Middle School Mondays, Wednesdays and Fridays. High School Tuesdays and Thursdays.
- **Photography and Videography** – Instructed by Mr. Will Simpson and Ms. Briana Jaeger, Wednesdays.
- **Sewing** - Instructed by Ms. Jessica Bara-Skowronek, Thursdays.
- **Study Hall** - Mondays through Fridays
  - For catching up or getting ahead in studies
  - For doing required school projects on campus without sacrificing academic time
- **Volleyball Class (Middle School / JV Girls)** - Led by Coach Dakota Young, school-hours practices on Mondays and Fridays. Qualified players will be selected for the after-hours MS/JV Team.
- **Volleyball Team (Varsity Girls)** - Led by Coaches Colin Taufer and Dakota Young, practices and games after school hours throughout the week.
- **Woodshop** - Classes with Mr. Greg Scott, Mondays, Tuesdays, Wednesdays or Thursdays. Learn to use various power tools and the new laser engraver and cutter to create projects of the students' interest.
- **Work Out Class** - Instructed by Ms. Jeanie Arnold, Fridays.
- **Yoga** – Instructed by Ms. Megan Brazil, Tuesdays.
